Registration of the International Patent Application

Dear madam, and sir,

the publishing of the public registration of your patent is the basis of our offer. We offer the registration of your Patent dates in our private Database. The Registration describes following data: Country code, publication number, filing number, publication date, international application number, international patent classification, inventor and applicant. Our offer will be accepted, with the payment of the Total Filing Fee, and becomes a binding contract between you and ODM srl, is irrevocable and legally binding for one year. Please notice that this private registration hasn't any connection with the publication of official registrations, and is not a registration by a government organization, and we haven't any business relation yet. This offer for registration is not an invoice but a solicitation without obligation to pay, unless our offer is accepted. All further details are indicated in our General Terms and Business Conditions overleaf. Please check the dates, and inform us about mistakes and modifications. ODM
